

Role of the Principal

The Principal shall have the position of Chief Administrator and Financial Coordinator for their own school building and grounds. The Principal will provide instructional leadership in an environment for the maximum educational ~~nurture~~ benefit of all children in grades K – 8. The Principal will be responsible to facilitate the school’s interaction with parents and others in the school community.

The Principal shall keep the Superintendent or designee, in their absence, informed of activities in the building as the Superintendent deems appropriate.
